Property Description

Located on a beautiful perch in the much sought after area of Escaleras, the Jade House is an extraordinary example of tropical luxury. Overlooking the South Pacific Coast of Costa Rica between Dominical and Uvita, this iconic home represents the pinnacle of tropical living for the discerning buyer. Located at an elevation of 900 feet, it receives constant mountain and ocean breezes and has amazing unobstructed views of the Pacific Ocean and coastline. The 9,100 square foot contemporary home has 5 air-conditioned bedrooms and 6 1/2 baths, and the owner has spared no expense in tastefully furnishing and outfitting the home with all the modern amenities one could want in an exquisite showcase home. Through the steel and glass doors one enters into a foyer with 40-foot tall hardwood ceilings... From the foyer, one enters into the great room which lays out in an open floor plan that tastefully includes the living, dining, and kitchen areas which includes top end appliances such as a Viking and industrial-sized double fridge and freezer; all of these elements are spread out over classic stone floors.
