Property Description

Mango Walk Lot 13 offers a titled 435 m² homesite in Punta Playa Vistas, a gated community in the peaceful Bahía de los Piratas area of Guanacaste. Located approximately 0.4 kilometers from Playa Real and Pirate's Bay, the property combines a natural tropical setting with convenient access to the coast and established community amenities. The lot provides flexibility for a custom residence with outdoor living areas or a thoughtfully planned investment property. Surrounded by lush vegetation, it offers a quiet environment while remaining within practical reach of nearby beaches, services, schools, markets, and several of Guanacaste's best-known coastal communities. Its size allows buyers to plan the homesite around their preferred balance of indoor space, terraces, gardens, and other outdoor areas. Water and electricity are available on-site, helping simplify the early planning stages for future construction.
