Property Description

Amazing opportunity to own a very private, large mountain-side lot with ocean views and a large building terrace in the Hacienda Delicias development. Water and electric are already provided to the property. The lot is greater over 3 acres in size and priced aggressively based on recent ocean view sales in the surrounding Garza area. It has one of the largest terraced home sites in the area, perfect for constructing your new hillside ocean view home and plenty of room for a guest home. The lot is less than a 7 min drive to the beautiful blue waters of the fishing village in Playa Garza, close to grocery stores and restaurants.
