Property Description

Casas Elsa is a luxury villa discreetly situated on an exceptional property embraced by the beautiful Costa Rican jungle in a prime, convenient, and central Manuel Antonio location. The location is ideal. It is within a 10-minute walk from 2 different beaches, 5 minutes from a multitude of popular restaurants, grocery and gift shops, as well as the well-known Holis Spa. Casa Elsa is a conversation piece unto itself. Perfectly framed views of the ocean and jungle grace the unique open-air design of the architecture. The layout of the private and communal spaces allows one to enjoy the full richness and uniqueness of the Costa Rican rainforest and its wildlife while maintaining complete privacy. When you enter Casa Elsa – a 4 bedroom villa measuring 7300 sq. ft.—through a massive, stately, wood door you will see the expansive uppermost floor revealing the jungle and ocean beyond. Incredibly high ceilings, split levels, modern railings, the watercolor wash effect of the acid-etched concrete floors, and a playful see-through pool with a clear viewing window all contribute to the originality of this villa.
