Property Description

"This is an opportunity to live a truly extraordinary lifestyle, combining the exquisite luxury of living above the Costa Rican canopy with close access to one of the country's most vibrant tourism hubs, Playa Tamarindo. From the entrance to Senderos, it is a short drive to Tamarindo's world-famous surf break and dozens of restaurants. Supermarkets, health care facilities, private schools and more are all close by. Yet Senderos itself is an oasis - a secure and quiet neighborhood of luxury homes where families enjoy the best that Costa Rica has to offer. An international airport is only an hour's drive away from Tamarindo, making this location a truly exceptional place in the world. Few opportunities to live in such luxury present themselves - send us a message to learn more." Phase 2 of Senderos, Lot 20-E sits in a perfect little spot. Nothing to block the commanding view of the Pacific Ocean, Playa Grande, Cabo Velas, and the 25 square-mile mangrove.
