Property Description

Pomas 4860sqft of living space + 430 sq.ft roof terrace Beach Cottage, the only way to describe this lovely 2 bed/2 bath townhouse. It is so close to the beach, you hear the waves crashing. A three-minute stroll and you are there! The carport and entrance to the home is covered by a beautiful, mature, fuchsia-colored bougainvillea. A back terrace is enclosed with white, bar and scroll, ironwork for security. The space is perfect for a BBQ and laundry nook. A built-in library is next to the sliding glass entry door. Across from the library is the kitchen outfitted with beautiful Guanacaste cabinet doors and nickel hardware, a wine and glass rack, granite countertops, and all the necessary appliances to prepare a delicious meal. A dining room set for four is the perfect place to share these meals and the adventures of your day. The free-standing granite and wood bar is great for entertaining and extra seating.
