Property Description

The floor plan of this 2 bedroom, 2 bathroom home is perfect if you are looking for a simple carefree life in the jungle close to town with outstanding white water ocean views! All rooms face the ocean and walk out to the screened-in patio that runs the entire length of the home adding 530 additional square feet of living space giving you a total of 1,552 sq ft. inside. Between the home and the stunning views is a true 38-foot lap pool with a sun lounge area. The extensive ocean view composite deck adds 780 sq ft of outdoor living space, and extends out over the jungle - low maintenance and ready to style with beautiful pool loungers and maybe even an outdoor fire pit to enjoy on the cool evenings! The view is even more spectacular than you can imagine. It is ever-changing and always beautiful, like live art. At sunrise and sunset, the colors are brilliant. The angle of the light shifts the focus of your view from the whale's tale to the jungle.
