Property Description

Finca Rio Mar is a spectacular 12.7-acre ocean and mountain view property located a short distance to the beautiful white sand Barrigona Beach, one of the best kept secret beaches in the area. This property features an internal road that leads to several building sites, the main one being the highest part of the property and features a large ocean view platform from where you can see Buena Vista Beach on one side the Guanacaste mountains on the other side. Below the main building site there's several mountain view platforms that could be perfect for guest homes or could be subdivided and sold.
