Property Description

Ecos Del Mar is a brand new three home project located close to the beach in Playa Pelada, built by a well known local developer with a fantastic eye for detail. These units are perfect for someone looking for a secure, low-maintenance home. Home #1 Eco-Brisa Del Viento is a three-bedroom, two-bathroom home, and is the first house as you enter into the project, asking \$399,000. Home #2 Eco-Vida Del Mar is the middle house and was sold during construction. Home #3 Eco-Sol Del Cielo is located the furthest back and is more private. This home is a three-bedroom with two and a half bathrooms. This home has not been fully finished and can still have minor adjustments made if desired by the buyer, asking \$449,900. All homes come with: private swimming pool with bench seating and LED light, fully landscaped lot, security fencing with private entrance and gate, Teak front porch ceiling, columns, and beam, Custom master bedroom ceiling detail with soft lighting, porcelain floors and bath walls, 42" tall custom kitchen cabinets, floating bath vanities with under counter sinks, full-width door jams and casings on all windows and doors, granite countertops, GE kitchen appliances (gas range, range hood, Profile counter depth refrigerator), Aluminum exterior windows and doors with tinted glass, Highest quality plumbing and electrical fixtures, All bathroom hardware and cabinetry door/drawer pulls, Bio-digester septic system, On-demand water heater.
