Property Description

Located in the upscale neighborhood of Playa Langosta and just a 2-minute walk to Langosta Beach, this unique and spacious property features not only a gorgeous three-bedroom main home, pool, deck, and lounge area, but it also has two, stand-alone guest cabins with their own kitchenettes and en-suite bathrooms. The possibilities are endless with Casa Julieta. Upon entering the property through the automatic gate, you are welcomed by royal palm trees and lush vegetation that offer plenty of welcome shade in addition to sunny areas. Lounge by the pool on the teak deck, take a siesta in the hammock perfectly positioned between two coconut trees, or dine in the shade by the outdoor pool rancho. Everywhere you look, you are surrounded by mature landscaping that took years to cultivate and grow. This truly is a special home! The entry of the main home features a large, welcoming space where the living room dining room, and kitchen all open seamlessly.
