

# 37 hectares for ranching or farming in great location

📍 Grecia, Alajuela

# \$2,000,000

ID: 16137

Property Type: Land • Size: 370,000 sq m •

- Status: Sold

## Property Description

The 37-hectare farm is located in between San Miguel and Quesada City, near the Rio Cuarto bridge towards Ciudad Quesada, about 300 meters from the town of Rio Cuarto, making it a convenient and beautiful location. The farm is currently being rented by a dairy farmer in the area and has about 60 cows on it. The property has water and electricity. There's a house located on the property but it is not currently in a livable condition. The appraisal is 2 million dollars.
