Property Description

Beautiful home close to town and the beach - less than 5 minutes driving and about a 15 minute walk to the beach. Gorgeous ocean views of Samara and Carrillo Bay. There are four bedrooms and three baths. The main house has two bedrooms with an additional apartment and the artist's studio can easily be converted into a large bedroom. The open air concept invites cool ocean breezes and a large outdoor, yet covered living space. The large patio and pool area is great for entertaining. This is a must see.
