Property Description

What a pleasure it would be to own the last glorious home available in “The Palms”, where you never want to leave! “The Palms” gated community has been carefully constructed in an arched design, ensuring privacy and views for each home as well as protection from the elements. Merely a few steps from the beach cove, you can enjoy outstanding views from each patio. The open layout ensures that the cozy living spaces including the beautifully crafted kitchen, face the boundless gardens and ocean. The white sands of Playa Flamingo extend beyond the Palms property, all the way to the protected Mangroves, and the area remains quiet and peaceful throughout the season. Few destinations offer the stunning natural beauty of Costa Rica, where wide stretches of white sandy beaches give way to lush tropical forests and misty mountain peaks. Notable mentions you will discover are, open gardens, quaint beach bars, whale watching, deep-sea fishing, snorkeling, and beautiful orchid sightings.
