Property Description

Casa Pacifica is a breathtaking home located in the gated community of Pacifico in Playas Del Coco. This three-bedroom, three-and-a-half-bathroom masterpiece has been tastefully built and thoughtfully furnished, with the exterior a custom design stone that matches the waterfalls on the property. Casa Pacifica has 4,000 square feet of indoor and outdoor living space and ocean views from the second floor. Before entering the house, you are drawn to the outdoor pool with configurable lighting and the spacious natural stone deck. The vaulted ceiling entry, open-concept living area, and sliding glass doors in the living room draw you in. The large gourmet kitchen is anchored by a marble-top waterfall edge island and includes Frigidaire Gallery appliances, a convection oven, soft close doors, ample cabinet storage, and a separate storage room just off the kitchen. The master bedroom is on the ground level and has direct access to the pool via sliding glass doors.
